RESPONSE

Sir:

This is in response to the Office Action mailed April 26, 2010. The Examiner's Amendment amends the applicant's Brief Description of Drawings. The applicant saw several errors in the brief description and one in the drawing numbers that should be amended before final printing of the allowed patent. The applicant is enclosing a marked-up copy, with strike-outs and underlines, of changes to the Brief Description of Drawings.

Very Respectfully,

Thomas C. Thompson
